From Intent to Impact: CHWs and Community Engagement to Empower Health

Conference Webinar Link: <https://zoom.us/j/96063344977?pwd=bnNQOXExN0lxQWplL0ZWbG5zbXVmdz09>

Objectives:

- Connect the dots between success in value-based payment, social needs care, and the moral imperative to address health inequities
- Identify key opportunities and implementation strategies for Community Health Workers to bridge health and social needs care by building trust, integrating with care systems, and partnering with patients and communities to improve health
- Increase confidence of health center staff to participate in advocacy and civic engagement efforts
