

OREGON-SPECIFIC TRAINING

October 9, 2014

Dear Community Partners,

As promised earlier this week, below is a list of training dates for the required Oregon-specific OHA Application Assister Training for Benefit Year 2015. Trainings begin next Wednesday, October 15.

Please register below by clicking on the training date and location that fits your schedule.

Note: To remain certified to provide application assistance with the OHA application for public medical programs, Application Assisters within Community Partner organizations, are required to take the OHA Application Assister Training, as well as the CAC training on the Federal Marketplace.

Trainings are offered both in-person and via webinar; either format meets the requirement for the Oregon-specific OHA Application Assister Training for Benefit Year 2015.
