October 7, 2014

Preparing for November 15

Introductions

Welcome!

In the meantime

What are challenges you are still experiencing that could use support?

- 1) Dependency on mail correspondence for OHP renewals
- 2) Expedited renewal applications and life changes
- 3) Confusing OHP renewal correspondence coming from various agencies (OHA & CCOs)

Is there something your CCOs could do to support your O&E efforts?
