The End of the Rainbow Reflection

How are
rainbows and
enrollment
similar?

Rainbows and Enrollment

- Rainbows and expanded Medicaid are both beautiful things.
- The end of the rainbow keeps moving as you get closer to it, so do enrollment deadlines.
- Each enrollment application is as different as the many colors of a rainbow.
- There is treasure for our clients at the end of the rainbow.
- We have to help clients learn how to use their treasure now that they have it.
