

## Advanced Care Learning Community Conference

From Trauma-Informed to Healing Organizations

World Forestry Center Portland, OR

Friday, January 31, 2020

9:00am - 4:00pm

### Participants will expect to...

- Hear organizational promising practices from keynote Dr. Ken Epstein to learn strategies for trauma-informed leadership, system transformation, evaluation and improvement
- Learn from a panel of health center peers on common health system features that create or worsen trauma and what they've done to respond through policies, programming and culture change
- Choose from five breakout sessions to learn and share more about trauma-informed transformation strategies across three tracks: Leadership and Sustainability, Engaging Families and Youth, and Trauma-Informed Quality Improvement
