Grantees are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. For a general OPCA budget percentage statement, you may use, 42% financed with non-governmental. sources.

Thank you

ABOUT OPCA

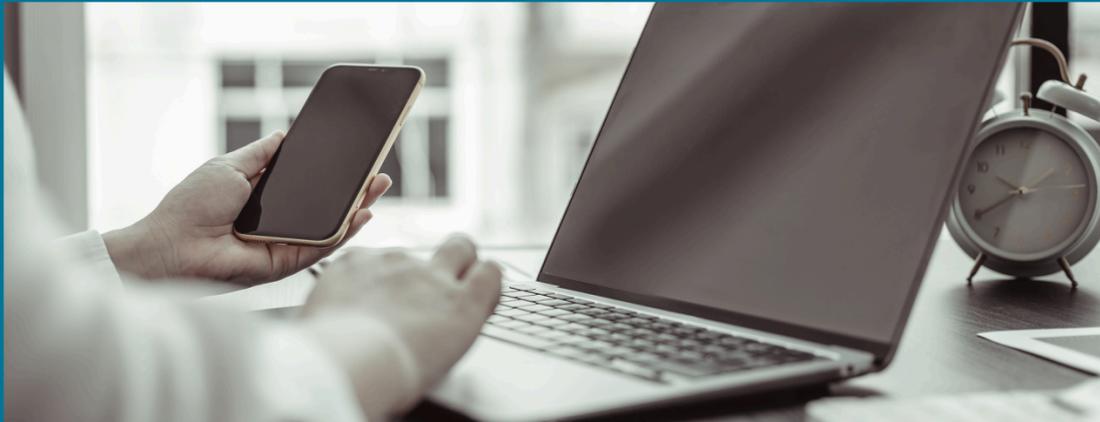

The association for Oregon's federally qualified health centers (FQHCs)

The Oregon Primary Care Association (OPCA) is the voice of Oregon's FQHCs, who deliver integrated medical, dental, and behavioral health services to more than 439,000 Oregonians. OPCA helps its members navigate state and federal policy, facilitates peer-to-peer learning, supports workforce development programs, and utilizes data-driven approaches to payment reform to further community-based health system transformation and health equity for all.

Care Association

ADVANCED CARE LEARNING COMMUNITY

- 01 Exploration of Team-Based Care Models & Practices
- 02 Value Based Care Learning Space
- 03 Rotating Topic Driven by Member Priorities

2024 - 2025 ACLC THEME

BEYOND INTEGRATION: SUPPORTING WORKFORCE RESILIENCE IN TEAM-BASED MODELS

Support Diverse Health Care Occupations in VBC Models

The integration of care teams is essential for providing low-barrier entry to whole-person care. However, integrating disciplines, scheduling, scopes of work, coding procedures and billing is highly complex administratively and operationally. This webinar series aims to talk about those complexities and identify practical solutions and practices to improve team-based care and reduce staff burnout.

WEBINAR SERIES #1

PRACTICAL STRATEGIES FOR PROVIDERS NAVIGATING
PATIENTS' SOCIAL NEEDS RESPONSIBILITIES

GUEST SPEAKER

Amy King, PhD

Dr. Amy is a psychologist with a private practice and provides training, consultation, and education. Her experience includes serving as a statewide trainer for the Oregon Department of Human Services and subject matter expert to promote child wellness in pediatric and primary care settings throughout the Pacific Northwest and California. Her current work is promoting wellness & staff vitality, building resilience for patients & consultation within primary care medical homes.
